SUMMER OF 1998

Pinewood Players Look Forward To Yet Another Best-Ever Entertainment Season

WINTER MEETING A GREAT SUCCESS

This year's winter meeting held at the home of Sue Holgate was a great success judging from the comments of most of those who attended.

Although the meeting of the Board of Directors was later declared null and void by President Lee Henry due to the lack of a quorum, the items discussed in the ad hoc meeting were later presented to the absent members by phone as allowed in the by-laws.

A majority of the BoD voted to pass the items in question. They are: 1) The Ex. Sec. should re-bill advertisers still unpaid from last year. 2) A measure which allows the Treasurer to spend up to \$25.00 without getting President's approval. 3) Authorize the Ex. Sec. to go ahead with sound system purchase. 4) Authorize the Ex. Sec. to negotiate with the Cont. Country Club of Flagstaff

with the possibility of extending our play runs one of two days and performing in their club. This would be on a guaranteed fee basis.

The membership meeting went well with reports by the President on non-profit status; the Treasurer's report; and the Executive Secretary's report; all being accepted by the group. A nominating committee was appointed by the President to offer a slate of candidates to fill vacancies of the three officers whose terms end in August.

Sherry Kent questioned actions taken by the BoD as soon as it took office last year. Pres. Lee Henry explained that the BoD was making decisions left over from the previous administration: the change being that in our "dub" days, the membership was called upon to vote on all items. Whereas, under our incorporated status, the Board of Directors made those decisions. The meet -ing adjourned.

SEASON TICKET SALES MOVING BRISKLY FOR '98

According to the report from the Ex. Sec., season ticket sales, donations and membership applications have started to move rapidly "...once we got the address list flasco worked out and the second news letter was received."

It should be noted that seating may well be at a premium at most shows this summer. In another cost-cutting measure the BoD changed the number of performances from 5 to 4 noting that if we can get our average 500+ at 4 instead of 5 performances, we would save 1 night's royalties. It's a good idea to order season tickets now as seating will not be as generously available as it has been in the past.

Sound System Fund Still \$300 Short. Your Continued Generosity Will Be Appreciated!

"<u>DIVORCE WEEKEND</u> IS ADULT FAIR" - AUTHOR

FARCE IS FULL OF SILLY SEX AND SUPER SLAP STICK

According to the author, Bill Smart, his new farce, DIVORCE WEEKEND is "not dirty" but does include lots of sexual innuendo. "It's more tame than most television sit-coms, but today that's not saying much. I only mention this for those parents and grandparents who would just as soon not have young children exposed to more adult fare."

The play revolves around a Sun City couple who own a cabin in Munds Park. They decide to invite their two best-friend couples up for a weekend in order to explain why they are getting a divorce after all these years of marriage. Things get confused with misidentifications, cross-purposes and Laurel and Hardy, wrong-rooms slap-stick. Eventually, things get straightened out, and everyone leaves happy and contented... "Including the audience," the author adds hopefully.

The "world premiere" of DIVORCE WEEKEND will be held on Sat., June 13th at 7:30 p.m. at the Pinewood Country Club.
